BOOKING FAQs

Do I have to pay a deposit?

Yes, for play-only bookings we require full payment upfront at the time of booking. For Party Packages, we require a deposit of £10 per person in order to secure your lanes, the remaining balance is due by 1st December. This can be paid in person, over the phone or via BACS. We are unable to take provisional bookings before first securing payment.

How long does a game take?

Our system automatically allocates 10 minutes per person per game for bowling and batting. So, 2 guests for 1 game would take roughly 20 minutes and 6 would take an hour per lane to complete. AR Darts are 30/60 minute for 1-3/4-6 players per lane.

Can I use the bumpers?

Bumpers are for children and our less mobile guests- besides, how else will you become a better bowler?

Can I reserve a lane and pay on the day?

Unfortunately not. All bowling-only bookings must be paid for in full at the time of booking. For bowling-only bookings of 12 or under, this can be done via our website, otherwise, give us a call!

What is your cancellation policy?

We understand that circumstances can change and that you may not be able to make your booking with us. If you give us at least 48 hours' notice, we will happily reschedule your booking to a different date. We do not issue refunds.

Can we bring children to Bowlarama?

All children must be always accompanied by an adult. Under 18s must be out of the premises by 6pm at weekends and 8pm midweek. We operate a Challenge 25 policy meaning that a valid ID in the form of a driver's licence or passport is required to enter the venue after 6pm.

Can I set up a bar tab?

We are more than happy to arrange a pre-paid bar tab for your group, just let us know when booking! Drinks tokens can also be added to your booking for the more than generous Christmas party.
